There are nearly 3,200 Republican voters in Wayne county, a sufficient number to elect the entire Republican ticket, if they were loyal to their party. These 3,200 Republicans are officially represented in Wayne county by two Commissioners, and only one is the result of Republican votes, the other Commissioner holding office because the law demands that the minority shall have representation on the Board. Every office within the gift of the electors of Wayne county is filled by a Democrat-Congressman, Senator, Representative, Prothonotary, Register and Recorder, Treasurer, Sheriff and District Attorney, all having been elected by the aid of Republican votes. The eulogies that the Democratic journals are pronouncing over the Hon. Geo. W. Kipp bear a very close relationship to the already-prepared-easily-adapted obituary notices which are kept ready for Mayear Geld, 4 y'rs old or over, FG emergencies, and which are written with a pen covered with the broad mantle of charity, (paid for on the installment plan) with words so nicely arranged that the truth is so thoroughly disguised that it cannot be recognized by the careless and indifferent. A Talk Feast.

Last Tuesday afternoon the pleasant odge room of the I. O. O .F. was well filled by members of the Improvement Society and friends, for the purpose of meeting Miss Edyth Totten, President of New York city's largest club of women, the "New Yorkers." Miss Totten is a native of New York and a typical representative of the intellectual, broadminded, brilliant women for which the city is noted.

The guest of the Society was presented to her audieuce by Miss Petersen, President of the local civic club.

Then in an informal and interesting way Miss Totten briefly described Shakspeare, his times and writings, after which she gave, with artistic rendering, the character of Lady Macbeth, and Desdemona from the drama "Othello." Following this, Miss Totten spoke of the objects and various aims of women clubs. In New York city, the local federation contains 78. The state of New York federation has a membership of
